

\$2500 SCHOLARSHIP

CAPE Career Track Scholarship Available to CSULA Engineering Students

The California Association of Professional Employees (CAPE) represents more than 2,700 Los Angeles County professional employees working in hundreds of job classifications, including engineers at the Department of Public Works. To highlight the professional opportunities for students and graduates available through the county, CAPE is sponsoring a \$2,500 scholarship for CSULA engineering and planning students.

For more information about a professional career with the County of Los Angeles, visit the CAPE website at www.CAPEunion.org.

For more information about the 2017-18 CAPE/CSU Career Track Scholarship, contact T. Fox – Professional Placement Coordinator
